

# Proposal Fee Sheet

UTILITY ALLOWANCE SURVEY/STUDY (HCV)

## COST OF SERVICES

### Section 8 HCV Utility Allowances (Standard and Energy Efficient)

| Title/Expenses      | Hours | Hourly Rate | Total |
|---------------------|-------|-------------|-------|
|                     |       |             |       |
|                     |       |             |       |
|                     |       |             |       |
|                     |       |             |       |
|                     |       |             |       |
|                     |       |             |       |
| <b>Total Price:</b> |       |             |       |

### Annual Update Price Estimates for HCV Allowances:

|  |  |
|--|--|
| <b>Rate Review Price:</b>  |  |
| <b>Additional Price to Update (only if 10% change in rates):</b> |  |
| <b>Total Price for Annual Update:</b>                            |  |

*\*Note: If there is not a 10% change in rates and no adjustments are made, the price will be for the Rate Review only. The update price is for adjustments with new utility rates and charges. Price may increase due to additional work requests or if utility provider's calculations become more complicated.*
